Vinification in stainless steel tanks
Aging on lees : 3 years

The Cuvée Alliance Rubis is a Champagne that offers facets of freshness, power, elegance and fruit.

A greedy nose of small red fruits with subtle aromas of cherry, quince paste and candied strawberry.

The attack in mouth is supple and fleshy.

The Pinot reveals itself in the mouth with kirsch nuances.

The whole, slightly structured, shows character in association with the slender freshness that carries the fruit towards a fresh and elegant finish.
